

UNBRIDLED

UNBRIDLED

UNBRIDLED is undoubtedly one of the most chic and luxurious yachts currently available for charter. Since her launch, UNBRIDLED has had more than \$6,000,000 in refit work completed. In 2015 alone, a new refit assured that she is a like-new yacht. Her sophisticated interior creates a luxurious yet playful ambience on board. She features a full-time professional crew of five, including one of the industry's most in-demand chefs. UNBRIDLED is well suited for both families and couples. Her extensive catalog of watersports and onboard activities exceeds most larger yachts and greatly enhances the charter experience.

UNBRIDLED's new interior positions her far beyond other yachts in her charter category. Both cosmopolitan and modern in nature, the interior of UNBRIDLED also exudes comfortable warmth, further enhanced by the finest luxurious appointments. The stylish main salon opens to a theater with large U-Shape couch and also offers a full bar and lounge area – the perfect space to unwind after an exciting day spent on the water. UNBRIDLED's country galley is a favorite spot for our guests to visit as star-chef Dan prepares the day's custom menu or, for that matter, anything your heart desires throughout the day. UNBRIDLED is tech-savvy yacht, featuring guest-controlled iPads in each room, sophisticated entertainment and Creston systems and 4G communications.

UNBRIDLED's exterior is eye-catching with sleek and sexy lines. She offers guests several unique outside spaces to enjoy the high seas. The main deck aft has an elegant dining space that overlooks her expansive swim platform, which boasts a Jet Ski and watersports launch dock. She has two staircases to reach her upstairs flybridge where guests will find a covered dining area, as well as a bar and lounge for evening cocktails.

A large Jacuzzi, barbecue, sun loungers and several viewing chairs create the perfect space to enjoy when underway. The bow also is equipped with a sunpad and optional Bimini cover, which makes it the perfect spot to escape into a novel or soak up the sun.

UNBRIDLED will spoil you with her vast, unparalleled selection of activities and water toys. Her towable 32-foot Boston Whaler Outrage tender with twin 300s is perfect for diving, deep-sea fishing, exploring tiny isles and beautiful ports during your charter. Spend your day on the water kicking up the waves on two brand new Jet Skis. UNBRIDLED also offers kite boarding, snorkeling and scuba diving equipment, a fly board, paddleboard and a bevy of other top-of-the-line water toys. If you can't bear to miss a day at the gym, UNBRIDLED even offers an extensive array of exercise equipment, such as free weights and TRX bands.

UNBRIDLED sleeps eight guests in four exceptionally appointed staterooms, including a full-beam master with king-size bed and a large marble shower, a VIP forward with queen-size bed, a guest stateroom with queen-size bed and a large twin stateroom. All are located below deck and offer en-suite facilities, Creston with iPad controls, digital climate control & Apple TV's. UNBRIDLED delivers the ultimate luxury yacht charter experience.
